Section 3.3. Delegation of Use. Any Owner may delegate, in accordance with the By-Laws and any reasonable and non-discriminatory rules and regulations promulgated from time to time by the Association and subject to the rights of others as set forth in Sections 3.1 and 3.2, his or her right of enjoyment of the Common Area appurtenant to his or her Lot, to family members, to a lessee or contract purchaser of his Lot or to guests.

Section 3.4 Certain Obligations and Access Rights to the Common Area.

(a) The Association, subject to the rights of the Owners as set forth in this Declaration, shall be responsible for the management and control, for the exclusive benefit of the Owners as provided herein, of the Common Area, and for the maintenance of the same in good, clean, attractive, safe, and sanitary condition, order and repair.

(b) The Association shall have and is hereby granted an easement and right of access to all of the Common Area for the purpose of maintaining or repairing or causing the same to be maintained or repaired as is its obligation and duty under Sections 3.4 and 7.2 of this Declaration. In addition, certain utility lines, sewer and other facilities and other improvements located within a Lot or a Common Area may serve other adjacent or non-adjacent Lots. The Association and any member thereof whose enjoyment of the use and occupancy of his Lot is affected thereby, their respective officers, agents, employees and contractors, shall have an easement thereto and shall have the right, at reasonable times and at any time in case of emergency, to go upon any Lot or Common Area for the purpose of maintaining or causing to be maintained or repaired any Building, party wall, utility line, sewer or other facilities located thereon that serve another Lot. The Association also shall have and is hereby granted a general right of access to all of the Common Area and Lots, at reasonable times and at any time in case of emergency, as reasonably required by its officers, directors, employees and their agents and independent contractors, to the full extent necessary or appropriate to perform its obligations and duties as set forth in this Declaration. The easements and rights specified herein also are reserved for the benefit of Declarant so long as Declarant owns any portion of the Properties and for so long as Declarant may be liable under any builder's warranty.

Section 3.5. Drainage, Utility, Sewer and Other Development Easements.

(a) Declarant hereby reserves unto itself during the Development Period, and thereafter unto the Association, an undefined easement ("Drainage, Utility and Sewer Easement") for drainage, utility and sewer purposes in, on and over all of the Common Area, so as to permit Declarant to properly install and allow to be maintained all electrical, telephone, water, gas, sanitary and storm sewer, television (including but not limited to cable and/or satellite) transmission facilities, security systems and other utility services, antennae and other equipment and facilities to serve the Building and the living units within the Building to be constructed on each Lot. This Drainage, Utility and Sewer Easement shall include all areas of the Properties outside the Buildings to be constructed by Declarant, with the exception of any areas covered by chimneys, patios, porches or similar appurtenances of the Buildings. No other improvements or permanent structures (except walkways, pathways, fences, signs, lighting, landscaping and pavement on streets and driveways) shall be placed within any Drainage,

Utility and Sewer Easement, and any fences so installed are subject or the rights (including the right to remove where reasonably necessary without duty of replacement or reimbursement) of any public or private utility to construct, maintain, repair or remove any necessary facilities and rights of Declarant and the Association to provide for and maintain appropriate drainage.

(b) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, the right and an undefined easement ("Sign and Facilities Easement") to install, erect, construct and maintain an entryway sign or signs, directional signs, lighting, walkways, pathways, fences, walls and any other landscaping, architectural and recreational features or facilities considered necessary, appropriate, useful or convenient, anywhere upon the Properties (except upon any Lot after the first conveyance thereof). Any signs shall comply with any applicable zoning requirements and all such facilities shall be maintained by the Association as a part of its Common Area maintenance obligations.

(c) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, the full right, title and authority (i) to relocate, alter or otherwise change the location of any Drainage, Utility and Sewer Easement, the Sign and Facilities Easement, or any facility at any time located therein or thereon; (ii) to grant such further easements, licenses and rights-of-way, temporary or permanent, exclusive or non-exclusive, surface or otherwise, as Declarant may deem necessary or appropriate, for ingress, egress, utility and similar purposes on or within any Lot or any other portion of the Properties, for the benefit of any Lot, of any of the real estate described in Exhibit A and B, or of any other properties; (iii) to describe more specifically or to change the description of any Drainage, Utility and Sewer Easement, the sign and Facilities Easement or any other easement, license or right-of-way now or hereafter existing on the Properties; (iv) to change or reestablish or modify the location of lotlines and/or phase lines; by written instrument, amended Plat or amendment to the Plat recorded in the Office of the Recorder of Tippecanoe County, Indiana.

(d) The title of the Association (as to the Common Area during the Development Period) and of any Owner of any Lot shall be subject to the rights and easements reserved herein. Provided, however, that the rights reserved in this Section 3.5 shall not be exercised after the conveyance of any Lot in a manner that unreasonably and adversely affects any Building or portion thereof located upon such Lot or the Owner's use or enjoyment thereof, or which unreasonably restricts the rights of ingress and egress to such Lot. The rights and easements reserved by Declarant in this Section 3.5 shall run with the land, and declarant's right to further alter or grant easements shall automatically terminate and pass to the Association one (1) year after Declarant shall have conveyed the last Lot within the Properties.

(e) In the event that utility companies need to remove an improvement to maintain their facilities, the Homeowners Association is responsible for replacing the improvement.

Section 3.6. Easement for Emergency Purposes. An easement is hereby dedicated and granted for use in the case of an emergency by emergency vehicles such as fire trucks, police cars and ambulances and emergency personnel, public and private, over and upon the Common Area roadways, and any pedestrian walkways or pathways.

Section 3.7 Encroachments and Easements for Buildings. If, by reason of the location, construction, settling or shifting of a Building, any part of a Building comprising the single-family residence appurtenant to a Lot (hereinafter in this Section 3.7 referred to as the "Encroaching Unit") now encroaches or shall hereafter encroach upon any minor portion of any other adjacent Lot or any Common Area, then in such event, an exclusive easement shall be deemed to exist and run to the Owner of the Encroaching Unit for the maintenance, use and enjoyment of the Encroaching Unit and all appurtenances thereto.

ARTICLE IV

ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

Section 4.1. Membership. Initially, to satisfy the requirements of the Indiana Not-For-Profit Corporation Act, the three (3) persons who serve as incorporators of the Association shall be the members (the "Initial Members"). The Initial Members shall remain members of the Association until three (3) persons have become Class A or Class B members, at which time the Initial Members shall cease to be members unless they also qualify as Class A or Class B members. Every Owner of a Lot which is subject to assessment shall be a member of the Association. Apart from the Initial Members, membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot.

Section 4.2. Classes of Membership and Voting Rights. The Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Declarant. Class A members shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members; the vote for such Lot shall be exercised as the members holding an interest in such Lot determine among themselves, but in no event shall more than one vote be cast with respect to any Lot.

Class B. The Class B member shall be the Declarant. The Declarant shall be entitled to six (6) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(a) when the total number of votes outstanding in the Class A membership is equal to the total number of votes outstanding in the Class B membership; or

(b) on January 1, 2018.

Section 4.3. Board of Directors. The Owners shall elect a Board of Directors of the Association as prescribed by the Association's Articles and By-Laws. The Board of Directors shall manage the affairs of the Association.

Section 4.4. Professional Management. No contract or agreement for professional management of the Association, nor any other contract between Declarant and the Association, shall be for a term in excess of three (3) years. Any such agreement or contract shall provide for termination by either party with or without cause without any termination fee by written notice of ninety (90) days or less.

ARTICLE V

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 5.1. Creation of the Lien and Personal Obligation of Assessments. Each Owner (excepting the Declarant and Home Builders) of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) Regular Monthly Assessments (for maintenance, repairs and ordinary operating expenses); (2) Special Assessments for (a) capital improvements and operating deficits, as provided in Section 5.4, and (b) for special maintenance or repairs as provided in Section 7.2; and (3) a Monthly Insurance Agreement as provided in Section 9.4. Such assessments shall be established, shall commence upon such dates and shall be collected as hereinafter provided. All such assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to such Owner's successors in title unless expressly assumed by them.

Section 5.2. Purpose of Regular Monthly Assessments. The Regular Monthly Assessments levied by the Association shall be used exclusively, in the reasonable discretion of the Board of Directors of the Association, for the promotion of the recreation, health, safety and welfare of the residents in the Properties, for the improvement, maintenance and repair of the Common Area, and Buildings situated on the Properties, for the performance of the obligations and duties of the Association and for other purposes only as specifically provided herein at the time that Class B Membership ceases to exist. A portion of the Regular Monthly Assessments shall start being set aside or otherwise allocated in a reserve fund for the purpose of providing repair and replacement of the Common Area, the Buildings and other capital improvements which the Association is required to maintain.

Section 5.3. Maximum regular Monthly Assessments. (a) Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum Regular Monthly assessment on any Lot conveyed by Declarant shall be \$100 per Lot.

(b) From and after January 1 of such year, the maximum Regular Monthly Assessment may be increased each calendar year not more than 50 % above the maximum Regular Monthly Assessment for the previous year without a vote of membership.

(c) From and after January 1 of such year, the maximum Regular Monthly Assessment may be increased each calendar year by more than 50 % above the maximum Regular Monthly Assessment for the previous year, with the approval of two-thirds (2/3) vote by those members of each class of members who cast votes in person or by proxy at a meeting duly called for this purpose.

(d) The Board of Directors from time to time may fix the Regular Monthly Assessment, without any vote of membership, at any amount not in excess of the maximum.

Section 5.4. Special Assessments for Capital Improvements, Swimming Pool Fees, Club House Fees, and Operating deficits. In addition to the Regular Monthly Assessments authorized above, the Association may levy a Special Assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain, or to recover any operating deficits which the Association may from time to time incur, provided that any such assessment shall have the assent of two-thirds (2/3) vote by those members of each class of members in person or by proxy at a meeting duly called for this purpose.

Section 5.5. Notice and Quorum for Any Action Authorized Under Section 5.3 and 5.4. Written notice of any meeting called for the purpose of taking any action authorized under Section 5.3 or 5.4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 5.6. Uniform Rate of Assessment. Regular Monthly Assessments and Special Assessments for capital improvements and to recover operating deficits must be fixed at a uniform rate for all Lots. All other assessments (except Special Assessments under Sections 5.4 and 7.2) also shall be fixed at a uniform rate for all Lots.

Section 5.7. Date of Commencement of Monthly Assessments; Due Dates. The Regular Monthly Assessment provided for herein and the Monthly Insurance Assessments provided for in Section 9.4 shall commence as to each Lot on the earlier of the following dates:

(a) the first day of the first month following the conveyance or lease of such Lot to a home buyer (excepting the builder) by Declarant; or

(b) the first day of the first month following the conveyance or lease of such lot to a home buyer by the builder.

The Board of Directors shall fix any increase in the amount of such monthly assessment at least thirty (30) days in advance of the effective date of such increase. Written notice of any increase in the Regular Monthly Assessment, and written notice of any special Assessment and such other assessment notices as the Board of Directors shall deem appropriate, shall be sent to every Owner subject thereto. The due dates for all assessments, and the assessment and collection period (i.e., annual, monthly, lump-sum or otherwise) for any Special Assessments, shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments for any Lot shall be binding upon the Association as of the date of its issuance.

Section 5.8. Effect of Nonpayment of Assessments: Remedies of the Association. If any assessment (or periodic installment of such assessment, if applicable) is not paid on the due date established therefor pursuant to Section 5.7 hereof, then the entire unpaid assessment (together with interest thereon, costs and attorneys' fees as hereinafter provided and as provided in Section 5.1) shall become delinquent and shall constitute a continuing lien on the Lot to which such assessment relates, binding upon the then Owner, his heirs, devisees, successors and assigns. The personal obligation of the then Owner to pay such assessments, however, shall not pass to such Owner's successors in title unless expressly assumed by them. If any assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of twenty-five per cent (25%) per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property, or both. In such event, there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action; and in the event a judgment is obtained such judgment shall include interest on the assessment as above provided, costs of the action and reasonable attorneys' fees to be fixed by the court. No Owner may waiver to otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 5.9. Subordination of the Lien to Mortgages; Sale or Transfer. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lot

(without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessment becoming due prior to the date of such sale or transfer. No sale or transfer of any Lot (whether voluntary or pursuant to foreclosure or otherwise) shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof; and, except as hereinabove provided, the sale or transfer of any Lot shall not affect the lien of assessments becoming due prior to the date of such sale or transfer except to the extent that a purchaser may be protected against the lien for prior assessments by a binding certificate from the Association, issued pursuant to Section 5.7, as to whether or not such assessments have been paid.

ARTICLE VI

USE RESTRICTIONS AND ARCHITECTURAL CONTROL

Section 6.1. Lot Use and Conveyance. All Lots platted shall be used exclusively for semi-attached zero lot-line single-family residential purposes or single-family residential purposes as provided for on lots numbered 61, 78, 93, 110, 117, and 119, except that Declarant, during the development period, reserve (a) the rights provided in Section 6.7 respecting the properties, generally and (b) the right to subdivide, dedicate or otherwise convey or designate all or any portion of any one or more Lots which it may own from time to time for recreational or other common uses and benefit of all Owners and other members of the Association. Any Lot or portion thereof so designated for common use shall become part of the Common Area, and reasonable rules and regulations shall be promulgated and enforced with respect thereto so that the use and enjoyment of adjacent Lots by the Owners thereof shall not be unreasonably disturbed. Each Lot shall be conveyed as a separately designated and legally described freehold estate subject to the covenants, conditions and restrictions contained herein. (c) The Owners, further, shall be subject to the following use restrictions:

- (i) Obstructions. There shall be no obstruction of the Common Area, nor shall anything be kept or stored on any part of the Common Area without the prior written consent of the Association except construction materials and equipment during the construction period or except as specifically provided herein. Nothing shall be altered on, constructed in, or removed from the Common Area except upon the prior written consent of the Association.

- (ii) Prohibition of Damage and Certain Activities. Nothing shall be done or kept on any Lot or in any Living Unit or on or in any Common Area or any part thereof which would increase the rate of insurance on the Property or any part thereof over what the Association, but for such activity, would pay, without the prior written consent of the Association. Nothing shall be done or kept on any Lot or in any Living Unit or on or in any Common Area or any part thereof, which would be in violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body. No damage to, or waste of, the Common Area or any part thereof or of the exterior of the Property and Buildings thereon shall be committed by any Owner or any invitee or tenant of any Owner and each Owner shall indemnify and hold the Association and the other Owners harmless against all loss resulting from any such damage or waste caused by him or his invitees or tenants, to the Association and other Owners. No noxious, destructive or offensive activity shall be allowed on any Lots or in the Common Area or any part thereof, nor shall anything be done thereon which may be or may become a nuisance to any other Owner or to any other person at any time lawfully residing on the Property; provided, however, that no act, conduct, activity or operation which Declarant is authorized or permitted to do hereunder shall ever be deemed to be noxious, destructive, offensive nor a nuisance for purposes of this Section.

- (iii) Fences, Walls and Patios. No Owner shall relocate, heighten, lower or otherwise move or change any fence except for privacy fence on individual lots, wall or patio upon the Property except with approval of the Association as provided herein.

- (iv) Privacy fence on individual Lots. Privacy fence on individual Lots will be of the same design as the exterior perimeter fence as specified on the Final Detailed Construction Plans, said fence will not exceed six feet (6') in height and sixteen (16) feet in length.

- (v) No Unsightly Uses. No clothes, sheets, blankets, laundry of any kind or other articles shall be hung out on any portion of the Common Area, or on a Lot so as to be visible from outside the Lot. The Common Area shall be kept free and clear of all rubbish, debris and other unsightly materials.

- (vi) Animals. No animals, rabbits, livestock, fowl or poultry of any kind shall be raised, bred or kept in or on any Lot or on the Common Area or any part thereof, except that household pets of mature size of not more than 24 inches in height may be kept on Lots, subject to rules and regulations adopted by the Board provided that they are not kept, bred, or maintained for any

commercial purposes; provided, further that any such pet causing or creating a nuisance or unreasonable disturbance shall be permanently removed from the Property subject to these restrictions upon three days' written notice from the Board, and provided further, that upon written request of 25% of the voting power of the Association, the Board of Directors shall have the authority to, and shall order the removal of, any pet.

(vii) Prohibited Structures. No structure of a temporary character, trailer, boat, camper-bus, basketball hoop, basement, tent, or shack shall be maintained on any Lot nor shall any garage or other building except a permanent residence be used on any Lot at any time as a residence or sleeping quarters, either temporarily or permanently.

(viii) Storage. Outside storage of any items, including but without limiting the generality of the foregoing, sporting equipment, toys, outdoor cooking equipment, yard and garden tools and equipment and trash and garbage containers, shall not be allowed unless screened from view by enclosures so as to be effectively screened from view outside the Lot. The design of such screened enclosure must be approved by the Association in accordance with the architectural control provisions hereof. The storage or collection of rubbish of any character whatsoever, any material that emits foul or obnoxious odors, the growing of any noxious or illegal weed or other natural substance, and the harboring of the source of any noise or activity which disturbs the peace, comfort or serenity of residents is prohibited. Usual household trash and garbage shall be regularly collected and may be kept outside only if in sanitary containers which are so screened. Notwithstanding the foregoing, no boats, snowmobiles, recreational vehicles, trailers, camping vehicles, buses, mobile homes, tractor/trailers, trucks, motorcycles, mini bikes, mopeds, unlicensed or inoperable vehicles, or any other vehicles of any description other than normal passenger automobiles shall at any time be stored or parked on any Lot outside of a garage or on any part of the Common Area, either permanently or temporarily

(ix) Antennae. Except with prior written approval and the authorization of the Association's Board of Directors, no exterior television or radio antennae of any sort shall be placed, allowed or maintained upon any portion of the improvements or structures to be located upon the Property, or on the Property itself.

(x) Dwelling Size. No one-story dwelling having a ground floor area of less than 1,200 square feet and no multistory dwelling having a total floor area of 1500 square feet, in each case exclusive of the area of garage and one-story porches, shall be erected in the Planned Development. The Floor area shall be measured by the exterior dimensions for the purpose of these restrictions. Any decrease in minimum required square footage will be by written consent of the Architectural Control Committee.

(xi) Shingles. The type of shingle used will be specified by Declarant.

(xii) Vinyl Siding. The type of vinyl siding will be specified by Declarant.

(xiii) Color Scheme. Each building (multi-family) will have one color scheme and one type of brick. The colors will be approved by the Declarant.

(xiv) Mailbox. The type of mailbox will be specified by the Declarant.

(xv) Yard Light A dusk to dawn light will be required in the front yard, unless rescinded by Declarant.

(xvi) Garages Each unit will have a minimum of a two-car garage.

(xvii) Brick. Each unit will have a requirement for brick on approximately 50 per cent (50%) of the front. Any decrease in minimum required brick will be by written consent of the Architectural Control Committee.

Section 6.2. Architectural Control. No building, fence, wall, or other structure, except original construction of Buildings by or on behalf of Declarant shall be commenced, erected or maintained upon the properties, nor shall any exterior addition to or change or alteration therein, other than by the Board of Directors, be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. Any change in the appearance or the color of any part of the exterior of a residence shall be deemed a change thereto and shall require the approval therefor as above provided. In the event that written approval is not received as required hereunder within twenty-one (21) days from the date requested, the failure to issue such written approval shall be construed as the disapproval of the request made.

Section 6.3. Non-Owner Occupants – Leasing of Lots. (a) All Lots occupied by persons other than the Owner or direct blood relatives shall be subject to a written lease with the Owner meeting the following requirements:

- (i) All leases shall be in writing, and no lease shall be entered into for a term of less than one (1) year without the prior approval of the Board of Directors.
 - (ii) All leases shall contain provisions adequate to require the lessee to comply with the provisions of this Declaration and the By-Laws of the Association, and with all rules and regulations promulgated by the Association from time to time, to the same extent as if the lessee were an Owner and a member of the Association; and shall provide for direct action by the Association against the lessee with or without joinder of the Owner, at the Association's option.
 - (iii) All leases shall make the lessee personally liable (jointly and severally with the Owner) for assessments levied by the Association during the term of the lease pursuant to the terms of this Declaration and the By-Laws, to the same extent if the lessee were the Owner and a member of the Association, and shall expressly subordinate the lessee's interest to the lien of the assessments provided for in this Declaration. Provided, however, that a lessee may be protected against the lien for assessments due prior to the date of the lease by procuring a binding certificate from the Association, as provided in the By-Laws, as to whether or not such assessments have been paid.
 - (iv) No lease shall provide, or be interpreted or construed to provide, for a release of the Owner from his responsibility to the Association for compliance with the provisions of this Declaration, the By-Laws and any rules and regulations of the Association, or from the Owner's personal liability to the Association for assessments. This requirement shall not be construed to prohibit indemnity provisions as between the Owner and lessee.
 - (v) In order to preserve the general character of STONEHENGE PLANNED UNIT DEVELOPMENT as an owner-occupied residential development, not more than forty percent (40%) of the total number of Lots included in the Properties shall be leased at any time.
- (b) Any owner desiring to enter into a lease for his Lot shall submit the form of the proposed lease to the Board of Directors (which form need not include the identity of the lessee or the rental amount) for review for compliance with the requirements of this Section 6.3(a)(v) if it determines by a majority vote of the Board that a waiver under the circumstances presented is in the best interests of the Association. The granting of any such waiver shall be a final determination, binding upon the Association, but the denial of a waiver may be reversed upon the affirmation in writing of a majority of the membership, or by a majority of the votes cast by those members present at a meeting called for the purpose. The Board of Directors may employ an attorney in connection with any such review, and a reasonable fee may be charged to the applicant to offset the expense so incurred. In the event the Board fails to approve or disapprove the lease within fifteen (15) days after submission by the applicant, the lease shall be deemed approved. A copy of each lease by an Owner shall be provided to the Board of Directors within thirty (30) days after execution.
- (c) The provisions of paragraph (a) of this Section 6.3 shall apply to a lease by Declarant, except that Declarant may lease Lots owned by it for a term of less than one (1) year, and Declarant shall be deemed for all purposes to retain all voting rights in the Association appurtenant to all Lots owned by it, notwithstanding any lease or any inconsistent provisions contained in any lease. Declarant shall not be required to submit any lease or leases to the Board of Directors for review as to form. However, within thirty (30) days after entering into any lease of a Lot, Declarant shall provide to the Board of Directors a written notice setting forth the location of the Lot, the term of the lease and the identity of the lessee.
- (d) The limitations of Section 6.3(a)(v) shall not apply to the holder of any first mortgage who acquired ownership or possession of any Lot by reason of a foreclosure or conveyance in lieu thereof, or during the pendency of a foreclosure proceeding (nor shall any lease by any such mortgagee be counted as a leased Lot for purposes of the forty percent (40%) limitation contained therein). However, the remaining provisions of the Section 6.3 shall apply to any such mortgagee, including but not limited to the requirement that the form of any proposed lease by any such mortgagee be submitted to the Board of Directors for review as to compliance with the requirements clauses (1) through (iv) of Section 6.3(a).
- (e) Any lease of attempted lease of a Lot in violation of the provisions of this Section 6.3 shall be voidable at the election of the Association or any other party having the right to enforce the provisions of the Declaration, except that neither party to such lease may assert this provision of this Section 6.3 to avoid its obligations thereunder.

Section 6.4. Signs. No sign of any kind (other than designations, in such styles and materials as the Association shall by rule or regulation approve, of street addresses and names of occupants) shall be displayed to the public view on any Lot, except that a "For Sale" sign may

be displayed provided that it is in such form as the Board may require, and except that Declarant shall be permitted to erect and maintain upon the Property such signs as it deems appropriate to advertise the development during the construction and sale periods.

Section 6.5. Home Occupations. No home occupation shall be conducted or maintained on any Lot other than one which is incidental to a business, profession or occupation of the Owner or occupant of any such Lot, and which is generally or regularly conducted in another location away from such Lots.

Section 6.6. Rules and Regulations. The Board of Directors from time to time may promulgate further rules and regulations concerning the use of Lots and the Common Area. A majority of those Owners voting at a meeting called for the purpose may rescind or modify any rule or regulation adopted by the Board of Directors. Copies of rules and regulations shall be furnished by the Board to the Owners prior to the time when the same shall be effective.

Section 6.7. Development and Sale Period. Nothing contained in this Article VI shall be construed or interpreted to restrict the activities of Declarant in connection with the development of the Properties and sale of Lots. During the Development Period, Declarant shall be entitled to engage in such activities and to construct, install, erect and maintain such facilities, upon any portion of the Properties at any time owned or leased by Declarant, as in the sole opinion of Declarant may be reasonably required, or convenient or incidental to, the development of the Properties and sale of the Lots; such facilities may include, without limitation, storage areas, signs, parking areas, model residences, construction offices, sales offices and business offices.

ARTICLE VII

Such responsibility (to the extent the same is not otherwise herein declared or stated to be the obligation or responsibility of Owners of Lots) shall include, but not be limited to the following: the maintenance and repair of the Common Area improvements, such as the recreational facilities, if any, driveways, parking areas, walkways, exterior ornamental lighting and all other improvements or material located within or used in connection with the Common Area. Without limiting the generality of the foregoing, if a water retention facility is installed as part of the storm and surface water drainage system of the Property, such water retention facility shall be a part of the Common Area to be operated, managed, controlled, repaired and maintained by the Association. Under no circumstances shall any obligation for the maintenance of any water retention facility be imposed upon, or implied as an obligation of, any governmental agency, unless such obligation is specifically and expressly assumed or accepted by any such governmental agency. As part of its management and control of the Common Areas, the Association shall snow plow the roadways, parking areas and walkways on the Common Area.

(b) The Association agrees to maintain and/or replace all plantings provided by the Declarant as shown as common Property on the overall Landscape Plan.

Section 8.4. Weatherproofing. Notwithstanding any other provision of this Article, but subject to the provisions of Article IX hereof, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.
